For short-term tourist purposes, a Visa on Arrival (VoA) can be obtained at border crossings. Please be aware that the VoA process may take 2-3 hours to complete, and the Embassy advises Indian travelers to plan accordingly. For employment or long-term assignments, Indian nationals should apply for a visa through Jordan's diplomatic missions abroad.

The Embassy will provide updates as new information becomes available. Please note that visa issuance to Indian nationals is within the sovereign powers of the Hashemite Kingdom of Jordan.
