Press Release

Government of India has decided to extend Visa on Arrival facility for Jordanian tourists visiting India effective today [i.e. 27th November, 2014] based on reciprocity and recognizing our age old warm, cordial and friendly relations with the Hashemite Kingdom of Jordan in all fields.

Under the scheme, **Jordanian nationals visiting India for tourism purpose** such as recreation, sightseeing, short duration medical treatment, casual business visit, casual visit to meet friends or relatives etc. may apply for and get their tourist visa-on-arrival [TVoA] online from his/her home country without visiting to the Embassy of India in Amman. The prospective Jordanian tourist will get electronic travel authorization from the Indian authorities once their online application gets approved, entitling them to enter India anytime within 30 days of **the approval**. On arrival, the visitor has to present the **printout of the authorization** to the Immigration authorities for other formalities. At this juncture, this facility may be availed no more than twice in a calendar year.

Jordanian visitors who wish to avail this facility may log into the embassy's website at <http://www.indembassy-amman.org> and follow the icon "Tourist Visa on Arrival" or log in directly to: <https://indianvisaonline.gov.in/visa/tvoa.html>
